

Map of the Bangkok Metropolitan Region showing flood risk areas. The map is color-coded by flood risk level: green for low risk, yellow for medium risk, orange for high risk, and red for very high risk. The map includes labels for various districts and areas, such as Bangkok, Nonthaburi, Pathum Thani, and Samut Prakan. A legend in the bottom right corner explains the color coding and symbols used on the map. A scale bar and north arrow are also present.
